John Steinmetz called the meeting to order at 1:00 p.m.

Harlan Roepke moved that the minutes from the January 10, 2003 LPG Board meeting be approved. Chad Crabtree seconded. The minutes were unanimously approved.

The Board discussed and voted on applications for licensure. The following applicants were evaluated:

<i>Dennis Livingston:</i>	Dick Harris moved for approval pending three months professional experience. John Steinmetz seconded. Unanimously approved.
<i>David Perry:</i>	Harlan Roepke moved for approval pending receipt of undergraduate transcripts. John Steinmetz seconded. Unanimously approved.

The Board reviewed comments made from the public regarding the proposed changes to Title 305 IAC(LSA Doc. 02-328). Some changes were made to the proposed rule. The final version will be forwarded to Legislative Services for evaluation. Chad Crabtree moved to accept the proposed rule with edits and changes made during this meeting as the final version. Dick Harris seconded. The Board unanimously approved. The amended version will be posted on the Indiana Geological Survey website as well.

John Steinmetz invited comments from the visitors. Larry Studebaker commented on a few of the sections of the proposed rule and the changes the Board was making. Kevin Strunk mentioned that the Annual Meeting of the Professional Geologists of Indiana was scheduled for April 26, 2003.

John Steinmetz distributed a proposed addition to the Indiana Geological Survey website which would show a list of applicants for licensure as professional geologists and allow persons wishing to comment on their applications to do so. The Board agreed that it would be a welcome addition if the Attorney General's office found no fault in posting it.

The next meeting of the Board was scheduled tentatively for Tuesday, May 20, 2003 at 1:00 p.m. at the Indiana Government Center South.

The meeting was adjourned at 3:25 p.m.

Compiled by Amanda Wilson, Board Secretary.
