

The Indiana Geologists Association meeting for October will be held on Wednesday, January 14, 2009. This month we have, Marty Risch.

The title of his talk is "Mercury in Indiana's Water"

The meeting will be held at **Joes Crab Shack at 8250 Dean Road, Indianapolis, IN.** Happy hour begins at 6 PM and the presentation will begin at 7 PM.

IMPORTANT: Membership dues for the Indiana Geologists Association are renewed in June/July of every year. Dues for both single and institutional memberships (for 2006/2007) are due at this time (single: \$15/institutional: \$45). Institutional membership invoices for companies needing hardcopy documentation are available through Dave King. Membership dues for 2007/2008-year can be sent or given to Dave King at the upcoming meetings.

- Please continue to submit ideas regarding new venues to hold the monthly Indiana Geologist meetings. Please feel free to contact Dave King with any suggestions. If anyone has interesting topics they would like to share with the Indiana Geologists, please sign up to be a speaker. Contact Kim Greeman or Dave King if you would like to present or know of someone who does. David King is the Secretary/Treasurer for the Indiana Geologists. Please direct any payment or questions regarding membership to him.

Institutional Memberships have been paid by:

- List of Intuitional members under construction-

If you have paid your institutional fees, please contact Dave King (dking@bcaconsultants.com) to update membership list.
